Joe Crews Collection

Collection 280

Scope and Content

This collection is Joe Crews' Amazing Fact broadcast related correspondence from 1983 to 1990. Crews founded the ministry in 1966 as a radio broadcast. The ministry branched out from the original radio format to television in the mid 1980s. Crews ended his relationship with the ministry in the early 1990s when Doug Batchelor took over.

The letters represented here are from the period when the television ministry was beginning and includes probably the years during the height of Joe Crews' impact with the ministry. The collection includes, in many cases, the incoming letter and the outgoing response.

Arrangement

The collection is arranged by year and then from where the letter came from.

Provenance

Larry Crews, Joe's son, donated this collection to the Andrews University Center for Adventist Research in August 2009 .

Use

All users of this collection are required to complete the "Application to Use Unpublished Records," and to observe the regulation specified in the "Patron Agreement" and "Researcher's Code of Conduct." All records in this collection are open and available for research. Citation for this collection:
