# Dedication

Our Protectors as helpless infants trusting  
in your encircling arms,  
Our Defense as toddlers exploring the big  
world about us,  
Our Refuge as children starting the years  
of our formal education.  
Our Guides as youth entering an ever-  
widening realm of new experiences.  
Our Counselors as teen-agers facing the  
problems of added responsibility, of social  
readjustment, and of changing emotions,  
and  
Our Companions as young men and women  
making the decisions that will determine  
our destinies, both temporal and eternal,  
---You, our Parents, have been our  
guiding lights throughout our lives.  
Because of this untiring devotion in our  
behalf, we the students of Madison College  
wish to express our gratitude in a humble  
---although highly inadequate---way by  
presenting to you, parents, this Cumber-  
land Echoes of 1958.

FACULTY

We are living today in the grandest time of all ages. The youth of this generation will witness the climax of earth's history. Momentous events are rapidly unfolding on every side. Men are trespassing upon the threshold of God with sputniks, rockets, and contemplated space ships. Soon the cup of God's wrath and indignation will be filled up and the edict will go forth that time shall be no more.

The realization that we are living in the very last hours of earth's history should have a sobering effect upon all of us. It should change our entire outlook upon life and our preparation for life. Our intellectual energies should all be directed to the one vast task of finishing God's work on the earth. The fads and frills of education must be trimmed off leaving only the essential elements that will prepare us to do a speedy work for God.

This is not the time to be planning for security or for a life of ease. As we plan, study, and work everything should point toward eternity. Soon we will be ushered from the school of this life to that school of higher education in God's Kingdom above.

STUDENTS WILL ALWAYS REMEMBER MR. WILSON AS A PRINCIPAL WHOSE DOOR IS NEVER CLOSED.

Many a heavy-hearted student has entered this door and emerged at peace with the world after a chat and a prayer ---

Many a rousing discussion group has clustered around his desk to resolve the problems of the high school world ---

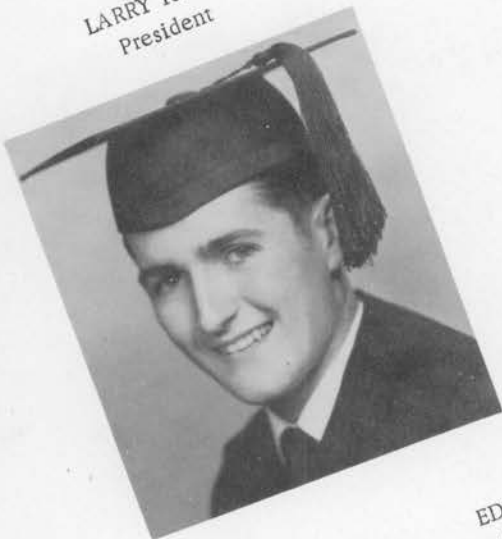

Many a senior has been measured for graduation cap and gown on the measuring tape on his office wall, and found that suddenly he had reached that six foot mark and had caught up with his principal ---

Many an alumnus has returned through the door to find his picture in his senior class composite on his principal's wall, knowing that he has not been forgotten.

EARN WHILE YOU LEARN

## CAPTAINS of INDUSTRY!

In every group of graduates there are some who, because of scholastic achievement, special abilities and skills or personal dynamics, stand out from all others. These are the men and women industry is looking for. They are the captains of tomorrow!

As the leader in the drill bushing industry, ACE, too, is looking for above average personnel to fill positions of responsibility.

If you have business or engineering training and wish to affiliate with a Christian organization having international ramifications why not think seriously about joining ACE? A letter to the Personnel Director will bring full information.

### **Disclaimer on Physical Condition**

By their very nature many older books and other text materials may not reproduce well for any number of reasons. These may include

- the binding being too tight thus impacting how well the text in the center of the page may be read,
- the text may not be totally straight,
- the printing may not be as sharp and crisp as we are used to today,
- the margins of pages may be less consistent and smaller than typical today.

This book or other text material may be subject to these or other limitations. We are sorry if the digitized result is less than excellent. We are doing the best we can, and trust you will still be able to read the text enough to aid your research. Note that the digitized items are rendered in black and white to reduce the file size. If you would like to see the full color/grayscale images, please contact the Center.
