Weekend to Honor College Graduates

Alumni and Faculty Entertain Seniors At Annual Banquet

Because of inclement weather, the annual reception given by the Alumni Association for the graduates of 1956 was held in the College cafeteria on Tuesday evening, August 21, from 6:30 to 9:30. Original plans called for a lawn party at Dean Sandborn's home.

Mrs. Lucille Hilgers and those who worked with her had prepared gift booklets for the graduates and other items which helped to make the reception a success. Mrs. Helen Sandborn and Mrs. Gilbert Johnson were in charge of the food committee. There was an abundance of food for first and second helpings and even thirds.

The program committee, of which Mrs. James D. Simmons was chairman, provided music by Mrs. Edwina Williams, a lovely soprano from Riverside Sanitarium and Hospital, where she is taking the L.P.N. course, and violin numbers by Mrs. Dorothy Moon. Both artists were well received by the audience. Among the favorites presented by Mrs. Williams were "If With All Your Heart" and the spirituals, "Tramping" and "Witness."

Mr. James Zeigler, president of the Alumni Association, welcomed the guests after a toast by Mrs. Simmons. Mrs. Glyen Haugen, president of the Nurses' Alumni Association, also made a few remarks welcoming the nursing students into that organization.

Mr. D. L. Bidwell, editor of the *Nurses' Newsletter*, presented the gift paperweights, which had inscribed on them in the school colors the college seal, the class motto and aim, and other pertinent facts, to keep before the graduates their Alma Mater and the Alumni Association.

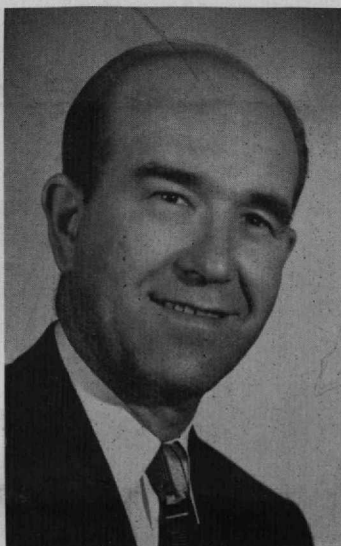

After a "Thank-you" speech by Mrs. Lorine Lucas, who spoke for the class, the reception closed with all singing "Blest Be the Tie That Binds" and a prayer by Elder Felix Lorenz.

President to Award Eighty-eight Honors

Eighty-eight degrees, diplomas, and certificates will be presented to those completing twelve courses of study, at the annual commencement of Madison College to be held on Saturday night, September 1, in the Helen Funk Assembly Hall.

The B.S. degree will be given to thirty-two, nurses' diplomas to twenty-five, X-ray certificates to one, medical technology certificates to seven, elementary teacher-training certificates to six, medical record certificates to six, physical therapy certificates to one and anesthesiology diplomas to ten.

Graduation weekend begins on Friday night with the consecration service. This is followed by the baccalaureate sermon on Sabbath morning. The climax of the weekend comes on Saturday night with the commencement address and the awarding of the degrees and diplomas.

Following the response, the entire class will kneel while Elder Felix Lorenz, Sr., head of the Bible Department, offers the consecration prayer.

Special music will be provided by Bernard Parrish of Nashville.

Dr. Hill has written for professional periodicals, including the NEA magazine, *The Nation's Schools*, as well as for various state educational journals. His professional honors include the presidency of the Southern Association of Colleges and Secondary Schools and of Phi Delta Kappa, and laureate member of Kappa Delta Pi.
