College & Academy Homecoming June 17-19, 1977

We'll be looking for you Friday, June 17, at Homecoming. All meetings will be held in the Madison Campus Church across from Madison Hospital. Try to arrive in time Friday afternoon to visit the alumni office and register. The office is now in the stone building back of Druillard Library. This building, formerly called the Demonstration Building, houses the elementary school.

The new Sabbath School rooms at the church are nearing completion, and it is hoped will be ready for use at Homecoming so we can have our fellowship dinner and supper there on Sabbath.

Madison is ten miles northeast of Nashville, just off Interstate 65. There are several motels and campgrounds near Madison and Opryland, and two K.O.A. (Kampgrounds of America). The two motels in Madison are--the Madison Motel at 625 Gallatin Pike, tel. 615-865-2323; and the Madison Square Motel across from Madison Shopping Center at 118 Emmitt Ave., tel. 615-865-4203. (Please make your own reservation.)

HONOR CLASSES, Letters and lists were sent out (1926, 1936, 1952, and paramedical 1967), and responses are coming in. We would like to especially invite any graduate of 40 or more years ago, and of course all Madisonites are invited, whether in an honor class or not.

ACADEMY GRADUATES of 1926, 1936, 1952, and 1967 are also especially invited, and by urgent request the academy class of 1957 is being honored.

ROOMS. If you need a room or a place to park your camper, be sure to contact the alumni office by letter or phone. Most of the nurses' dormitory that was available last year will be used by Oakwood nursing students this summer, but we do have some alternatives. If coming by car, bring bedding and towels.

TELEPHONE NUMBERS. Address and telephone numbers of the executive secretary of M.C.A.A., Mable H. Towery are given each time on the back page of the SURVEY. Additional phone numbers for Homecoming: Dorothy Mathews, 615-865-5350; Edith Johnson, 615-865-6076.

ADDRESSES WANTED

Address Wanted - Honor Classes

1927: Margie Morgan, Charles Beamer, Harold Jenks
1937: Harry Lewe, Delbert Liu, Mary (Vasalenko) Carmen, Tai H. You
1951: Charles Wang, Duane Wang, David Killion, Juanita Ashlock, Helen Burg, Retta Wiles Robinson
1967 Paramedical: Luis Cruz (X-ray), Gerald Hill and Robert Davis (I. Th.)

Other Addresses Wanted

Robert Ley (Anes. '57), Robert Lawry '58, Dr. Gerald Wheeler (Elm Grove, W.Va.), Roy Hunter, A. W. Saphiloff.

Graduation at Madison Academy

Graduation was held for 18 Madison Academy seniors May 20-22, with speakers as follows: Dr. W. E. Coopwood, Consecration Service; Elder John Wagner, Baccalaureate; Elder Lorenzo Grant, Commencement.

Adventist C.P.A.'s

Phil Brooks (M.A. '65) of Murfreesboro, TN., is president of the Southeastern chapter of Adventist C.P.A.'s. Over 50 C.P.A.'s are in public practice, or in hospital, government, and industry work in the southeast U.S.A. One of the first groups was the Knight & Davidson firm, organized in the early '50's.

Coming Events

Madison College and Academy Homecoming
June 17-19, 1977

Summer Seminar, Yuchi Pines Institute, Seale, Ala. July 3--Aug. 12, 1977

A.S.I. Convention, Sheraton Hotel, Gatlinburg, TN. Oct. 26-30, 1977

The Laymen's Extension League Convention, will be held in conjunction with the A.S.I. meeting, also the National Adventist C.P.A.'s.

Recently this firm was divided into two groups, with Knight & Davidson retaining the original name; the other has the name Hall, Brooks, & Davidson.

* Kenneth Knight '48 and Steve Parker have now moved their Madison office from East Meade Ave. to 101 Cumberland Ave. in the Cumberland Office Building, just off Gallatin.

* Ralph Davidson '34 has retired from the G.C. Auditing Department. He and his wife Dorothy live at Woodbury, TN. He was elected recently to the Layman Foundation board.

Hospital News

On April 28, 1977, six Madison Hospital workers received special recognition by Administrator Trimble for their years of service. Among them were Mr. and Mrs. Everett Coolidge (he as director of the purchasing department) who spent 8 years at this hospital coming from Takoma Hospital, Greenville, TN., where he was administrator. They have retired at Greenville after Everett's total of 36 years of service in Adventist hospitals. (His father, Dr. L. E. Coolidge and wife Ruby are living on the Wildwood Campus now.)

Lester Culpepper is also retired after 22 years of service, 17 at M.H. He also was working in purchasing. He and his wife Linda have lived on the Madison Campus 32 years. Before joining hospital purchasing, Mr. Culpepper worked for Madison College in fruits and garden, and the dairy. Their 4 children all graduated from M.C.A. (James, 1952; Maurice, 1953; Elaine Cantrell, 1955; and Rebecca Rosenboom, 1959).

Mrs. HELEN WEBSTER is now working in the Wasiota Credit Union at Madison Hospital; after 15 years in accounting work at Madison College and Academy. Incidentally, Helen's daughter Sharon has just graduated from S.M.C. and is now a staff member at the college, working in Admissions.

Two Little Cottages

In the early days of Madison Sanitarium-Hospital, two small cottages were built back of what was later West Hall--Hankins Cottage and Davison Cottage.

HANKINS COTTAGE was built in 1924 by a couple, Elder and Mrs. I. J. Hankins, who retired at Madison for a time

after spending 30 years in South Africa as missionaries. They took part in campus and church activities. They built their own house here which came to be known as Hankins Cottage, and lived there 4 years. Then they moved to California, finding Tennessee too cold.

This cottage was among the few buildings left on hospital grounds after the new wing of the hospital was started in 1966. It became the home of Occupational Therapy and the Beauty Shop. In 1974 it was used for Social and Family Life Services. Now in 1977, when the accounting department of M.H. found it needed more space, Hankins has become the headquarters and office for Accounting. Jorge Heide heads the group of 7.

DAVISON COTTAGE, named for Mrs. Lura Davison, who built it in 1908, is said to have been the very first building erected in the hospital area. First it housed employees, and at one time doctors, then for many years served as a psychiatric wing (9 beds). After the new Parkview Mental Health Center was built in 1963, Davison Cottage was demolished, and little Hankins Cottage stood alone.

CAMPUS VISITORS

* **FRANK and VELDA JUDSON** visited at Madison on their way back to their home in Watsonville, CA., traveling in their motor home. A group of their friends were entertained at the home of Frank's nephew, Dr. Larry Grimaldi, May 17.

* **CECIL KNOTT (N'51)** and wife Marie of Buchanan, Michigan visited their daughter and son-in-law, Bettie and Gene Hicks in April. Cecil is doing Anesthesia at Unity Hospital in Buchanan, Mich. He was in the Honor Class last year and took a colored picture of his Nursing classmates, and got extra copies to send out. He has a pilot's license and likes to travel by plane. If you are interested in attending Homecoming and live in his area (Rt. 1, Buchanan, Mich., near Berrien Springs), call him at his home phone: 616-695-9527.

Mrs. Knott is a teacher and a writer. She has taught school in 5 different States in every grade from first through senior college.

Daughter Bettie is employed at Madison Hospital as an operator at the telephone switchboard.

* Several of the Stagg family visited the campus and S.P.A. in April: Jennie Stagg Hudson from Loma Linda, Anna Stagg Vandeman from Denver, Alfred Stagg from Franklin, TN. Jennie and Anna were visiting their brother Alfred Stagg (MCA 1934) and wife, Virginia. Anna (MCA '36) is assistant dietetics administrator of Porter Adventist Hospital. She has two sons and one daughter. Son Robert is a minister.

* **PERCY HALLOCK** former long time principal of Hylandale Academy, Rockland, Wis. visited his granddaughter, Judy Daly, (nurse on 1 east at M.H.) Judy's husband, Larry (Anes. '76) is an anesthetist at St. Thomas Hospital, Nashville. Mr. Hallock looked around the Campus including the Industrial Arts. (Daryl Edwards is teaching in the department at M.A.)

Hallock said he was 80 years old, but still teaching two classes at Hylandale.

Laurelbrook Folk Visit Madison

A group of 14 students and teachers from Laurelbrook School, Dayton, TN., visited Madison on April 13. Mrs. Carmie Nesmith arranged for the trip this year and had arranged for other groups several times in the past. She believes firmly that young

people in the self-supporting schools should know and appreciate the heritage of Madison. Accompanying Mrs. Nesmith were her husband, Blanchard, Elder & Mrs. W. J. Ostman, several advanced training students who were doing practice teaching (including twin brothers, Clayton & Clifton Brandt) and 7th and 8th grade students. One of the girls, Karen Cress, will be returning to Madison in June to work in the diet office at Madison Hospital for 2 weeks as part of her Food Service training.

ALUMNI NEWS

1932. Dr. Harry Randolph's wife Mary wrote that he has been very ill, but doing well now. Harry, now a life member of the M.C.A.A., is a brother of Dr. Claude Randolph '28 of Cross Plains, TN. The Randolph Medical Office of Ontario, CA., is now a member of A.S.I. Dr. Harry is the owner.

1932, 1933. **THEO and NELL MADDOX (N '33, '32)** moved from the Miami area several years ago to Winter Haven, Fla. Although "retired," they are very busy. After this editor mentioned not receiving the usual Maddox Christmas greeting, Nell wrote:

"Sorry we have not been able to write as per usual. We have found ourselves in a 'rat race' worse than Miami! We enjoy what we do—we are GLAD that we are able to do it and that we are still ASKED. . . . It was impossible physically, plus lack of time also to get anywhere near the 200 cards we had been getting out before we moved here. Time was the No. 1 problem, plus the postage.

We love you just the same, but with our multi-phasic van that goes from here to Naples twice a year, and our church work which we enjoy doing (we have a former Miami Springs pastor here now who is a real whiz at hard work), we will never get arthritis from sitting down!

Our Mr. Trimble who belonged to the Miami Springs church (and his wife who is a good friend of mine) is there now at the Madison Hospital. He is really a hard worker. He is also a lot of fun. They were both active in church work and loved very much by the church members.

1936. After almost continuous mission service in overseas Adventist hospitals from 1947 to 1977 in the Far East, Dr. WILLIS DICK and wife (Eleanor Sutton, N'36) have permanently returned to the States. They have settled near his old home in LaHarpe, Ks. He is in practice at Iola.

1936. **IRENE (Kominsky) AMS (N '36)** sends her dues regularly. She wrote: "I enjoy the SURVEY so much! Read it several times.

1942. Vicki Nenner, daughter of Delayne (Bowen) Corich is a nursing continuing coordinator at Scripps Memorial Hospital in San Diego, CA. A graduate of Texas Women's University, she is responsible for the continuing education of 400 nursing staff members. (Vicki is a niece of Bernard Bowen '56.)

1943. **JOSEPHINE BENGSTON (N '43)** wrote from Fayetteville, TN. that she had had her right hip replaced, but the left one will have to be delayed for a year due to circulatory complications. She is hobbling around, without a cane, and says, "When they replace the left femur, life will be beautiful again."

1949. Dr. & Mrs. L. J. BULL '49, Ola, Ark. We recently purchased some rural property near Plainview, Arkansas, and had a four-bedroom house built. We invite you and yours to visit us when you are in our fair state of Arkansas. Sorry we cannot attend Homecoming this year. I don't suppose its the same though with Mrs. E. R. Moore gone, and the old sanitarium-hospital gone too, also the big farm.

1958. **FELIX A. LORENZ, Jr.** was listed as one graduate of Andrews University to be honored at AU's 1977 Homecoming, under the category of "Alumni of Distinction." Both Felix Jr. and Felix Sr. are former teachers at M.C. Lucille, wife of Felix Jr., got her B.S. in Nursing at Madison in 1958. They live in Northville, Mich. * Elder Felix Lorenz, Sr. and wife Lauretta live in Fair Oaks, CA. His book, *The Only Hope* traces the development of the doctrine of Laodiceanism in the S.D.A. church.

1960. Esther Scott (N'51; B.S.'60) wrote that her husband Pat was ordained as a minister in May, 1976. He has served as a pastor in Edmunton and Fairview, Alberta, Canada, and is now pastor in Chetwynd, B.C. Esther has nursed at our hospitals in Avon Park, Boulder, Col., Ardmore, OK., also at several hospitals in Canada—Kelowna, B.C.; Lacombe and Fairview, Alberta; and presently at General Hospital, Chetwynd, B.C.

The Scotts have 4 children. Ronald is in the 11th grade at Canadian Union College Academy, Sharla & Kevin are in church school at home. Their 4th child is an adopted Indian, now 5 years old.

(Esther Scott gives news about a new self-supporting academy just starting by Jere & Linda Franklin near Chetwynd, B.C. She says it's in a primitive setting, with no electricity or telephone. "Also there are plans for a self-supporting academy in Hope, B.C. We are planning to join with them in Sept., 1977.)

1962. Mrs. Jim Eversoll (N'62) sent her dues and change of address from Madison to Murfreesboro, TN. She said she had been working at the V.A. Hospital in Murfreesboro for the past 11 years.

MARY KATE GAFFORD is still in a nursing home at Madison (Imperial Manor), but dreaming of getting back to her home on Sanitarium Road. She has had many visitors and over 100 get-well cards, but says she is just greedy enough to want more. She has her new electric typewriter with her and is trying to answer some of her correspondents. She is feeling better, enjoys the food, walks with the aid of a cane, holding onto the rails. If you write her, use her P.O. Box 1204 at Madison College, Madison, TN. 37115.

ATTENTION Madison College Alumni and Friends THE LAYMAN FOUNDATION

has received several invitations and offers for the establishment of new schools and medical units, in harmony with the inspired counsels and plans we have inherited for this important part of the Lord's work. We have accepted these challenges as much as our means allow.

The urgent needs and demands for prepared personnel and adequate funds are very urgent. Your prayers, moral and financial support are and will be greatly appreciated. Please contact: Alvin J. Stewart, Executive Secretary, The Layman Foundation, Box 1272, Madison College, TN. 37115 (Tel. 615-865-1960)

LETTERS

Mrs. Walter Shultz, Denison, Iowa

My husband, WALTER SHULTZ (Anes. '53), is still going strong as administrator of Crawford County Memorial Hospital here in Denison, Iowa. He does anesthesia upon special request occasionally, but has two anesthetists working for him. The hospital has doubled in size having had three expansion building programs. The new physiotherapy department will prove a real blessing to this large rural community. Walter had surgery himself in March so he had a good chance to test his employees' efficiency. He was well pleased, feels better every day. We have a small comfortable home near the hospital.

Our son George Shultz (Anes. '57) is an anesthetist at Marshall Hospital in Placerville, CA. He also manages an Inhalation Therapy department. He has a beautiful home in the Sierra foothills which satisfies his landscaping urges. . . . We all do our share of church work and long for Jesus' return.

SELMA MILLAR, Porterville, CA.:

"My husband, Alf Millar, and I were at Madison school in 1924. He and I came out here from Kansas in 1929. He passed away in 1953. I've lived in California for 47 years. Never saw it this cold."

Kenneth E. Gibson, Shiloh, Ga.

(K. E. Gibson wrote last fall from Lancaster, Pa., where he went to help out a former Amish man, in growing and marketing his gardening produce. In August, 1976, he was working with Eli Stoltsfus "In behalf of the Organic Marketing Association.")

After finishing my work with Brother Stoltsfus at Lancaster, Pa., I went to Beaver Dam, Ky., to help Brother Schraoeder, and returned home Oct. 11, 1976. That day was a memorial of my first coming to Madison 56 years ago Oct. 11, 1920. I took a 2-year Agricultural course at Madison. Then following my training there I served one year as farm manager in connection with the unit at Louisville.

In 1924 I served as head of the fruit, poultry departments and substituted in the dairy department of 16 cows, bottled milk, and sterilized milk utensils. . . . I can't tell you the grief experienced when I heard of the destruction of Helen Funk Assembly Hall and Williams Hall there at Madison.

Alvin Scheresky, Glen Ewen, Sask.

Alvin Scheresky sent a copy of his Christmas letter and a list of grains he grows and sells. He does not ship outside Canada. All of the Scheresky products are naturally grown, poison free, "organic." When this editor wrote him about his manner of growing, he wrote:

"Yes, I am organic all the way. My start for all this was at Madison. I attended M.C. 1953-4 after two years in the service. This is what changed my thinking and outlook. I do receive the Natural Food and Farming magazine that you mention. (Published in Atlanta, TX.--Ed.) I am compiling a book (100 pages) on principles of organic farming, E.G. White on Agriculture, and Practical Applications. Will have it done soon, and send you a copy. It will contain a short resume of my life and experiences. . . . I surely do enjoy the Survey!"

(Scheresky sent a copy of some of his astute observations on agriculture today, on biological or organic farming. He'd probably be glad to send you a copy. Write him at Box 10, Glen Ewen Sask., Canada, SOC 1G0. Following are extracts from his letters.)

Nestled among the small groves of aspen poplars in southeastern Saskatchewan is located our farm. . . . With satisfaction we look back upon our work and upon our efforts and see how the earth holds in her bosom rich rewards for those who cooperate with her in producing poison free food for man's use. Memory's hall is hung with pictures of having done things in the pursuit of our intense effort and desire to continue in a vocation started some years ago. That is the growing and processing of good, tasty natural food for those who wish to have the very best.

As we work from day to day, we are convinced more and more that we were not given this earth to subdue or exploit it as though it were some kind of a store house placed at our disposal and for our exclusive benefit. We were not placed in it to greedily get all we can out of it for our own selfish purposes. Instead, it was given to us to make our home in it, to share it. And so, especially in this generation, when the race against time seems to characterize the life of most, it is so wonderful to be located in a natural farm setting, a quiet retreat where one can work out one's thoughts and pursue the objectives to which he has dedicated his life.

We plow and plant, we harvest and store, we mill and hull throughout the year. Our efforts are compensated with the pleasure of seeing the grains grow, seeing harvest come, grains stored, processed, put into bags and shipped. . . . Agriculture as it expands to agribusiness threatens to become yet another means of separating man from nature. This we cannot permit to be done here. . . .

Lolita Puterbaugh (Sec.Sc.'63) Naples, N.C.

Lolita Townsend Puterbaugh is a secretary in the administrative offices of the Fletcher, N.C. institution. Her work is particularly in the alumni activities area. Her husband Neal is operation a filling station nearby. They have a 10-year-old son, "Chip." Lolita sent her dues and wrote recently.)

We are happy in this part of the country, climate wise, and the fact that we aren't located in a busy city-type environment. We feel it is a good place for our son Chip to live and grow up. . . .

We were glad to have Catherine Shepard visit with us last summer. She was the first teacher I had when I first attended church school. It was the first year that Johnson City had a church school for many years and she came from California to teach us. What an inspiration she was! She is a very special person to me. . . .

I am interested in Madison--what it has been and meant to so many of us and the

things that keep the Madison spirit alive are important to me. . . . I am sincere in saying that I admire the work you have done for Madison graduates and friends. You certainly were the person for the hour to do the work there. It takes a special sort of person to do this. I always enjoy the Survey. Nothing will be able to erase the memories from Madison, the friends made there, the spiritual help received, the encouragement from the people there. It was the opportunity for at least two years of college that perhaps I wouldn't have had, or that I would have had to take in a public college. I will always be grateful for the opportunity of attending Madison. . . .

I do hope things work out for the securing of the Sutherland-DeGraw home for a Heritage House and alumni center. I feel that our heritage whether at Madison or Fletcher is very important.

* LINCOLN MILLET '28, a loyal, life member of M.C.A.A. sent a Christmas card from Lancaster, Mass. Although officially retired in 1974, he keeps very busy with civic and church duties. He is still serving on the Lancaster Board of Health, presently as chairman and as a justice of the peace since 1973. In the latter capacity he had officiated at 85 weddings. In March he was elected sewer district commissioner for Lancaster. He writes frequently, following are extracts from his letters.)

As Religious Liberty secretary of the Village S.D.A. Church and a member of the Atlantic Union Conference Historical Commission, I am active in preserving our historic landmarks and keeping our nation free from tyranny.

The last SURVEY gave me the address of Dr. Ritchie Stagg, who was one of my dearest companions at Madison. I went to the Stagg home in Nashville and spent the Sabbath day. I wrote Ritchie, and plan to contact him this spring. I also wrote to Emmie Dee Birdwell Robinson of Keene, Texas. She replied, and I have an interesting letter from her. So you see the Survey helps the alumni keep in touch with each other. . . .

Cletis Hannahan was a pal, from Indiana. I don't know if he was the one that wrote the poem in the Review or not. Would like to know if it is the one and the same. . . .

I meant to write you when I received news of the havoc destruction that took place on the Madison Campus. Seems as if Satan hates the Madison school because its principles are of heaven's origin.

I certainly appreciate all you are doing to preserve the memory and spirit of Madison College. In my mind, "those were the days!" I look back to many happy recollections of the 3 years I spent at this great school.

Do you plan to attend Homecoming June 17-19, 1977?

COUPON

M.C. ALUMNI ASSOC., Box 1303, M.C. Sta., Madison, Tenn. 37115

I am sending \$ _____ for THE MADISON SURVEY for _____ year(s)
(at \$1 a year, or as a gift) (New? _____ Renewal? _____)

I am sending \$ _____ for alumni dues (\$5 annual; \$50 life)
(Dues can include SURVEY sub. price)
(You may have a tax-deductible receipt if you send \$2 or more)

Other _____

NAME AND ADDRESS _____

News Notes or Remarks: _____

Mrs. M. K. Butler, Zambia, Africa

(Virginia Butler, husband Dr. Butler, and children are all over in Africa with the Wild-wood project, Riverside Farm Institute. She wrote recently asking about the availability of the book, Taking Care of the Family's Health, by Rood and Lingham; also Studies in Christian Education by Sutherland. Mrs. Butler is registrar and coordinator for Better Living Institutes at Riverside.)

God is blessing in the outreach here. We have a second full-scale Better Living Institute scheduled for April-May, and a third for July-August for the entire student body of the denomination's Ministerial Training School at Rusangu. They will come here for five weeks intensive training with daily classes—both theory and practice. If this first time is successful, it will likely continue from year to year. We are so happy for the wholehearted cooperation between the conference work and the self-supporting work here in Africa. Let God be praised. Surely He is seeking to get us all ready for a better land. He's waiting on US, not the heathen.

FOR SALE. We have copies for sale of the 2-volume set, TAKING CARE OF THE FAMILY'S HEALTH by the late Gertrude Lingham and Elma Rood. This is a teaching guide for rural classes, covering "The Family in Health," "The Family in Illness," and "The Family and Public Health." Order through THE MADISON SURVEY, Madison, TN. 37115. (Price \$5 paper back; \$7 fabrikoid)

Lily Cabansag (N'62), Santa Anna, TX

(Lily Cabansag (N'62) sent her life dues, ordered a nursing pin, and wrote about the health program she and her husband Dr. Filemon Cabansag, are carrying on.)

We appreciate your sending the SURVEY to us. . . . We are still in the same place and still doing the same work, but a few more improvements have been added.

We had open house on January 17, for our new Health Activities Center. It's a new building just south of the hospital by the highway. Our nutrition or cooking classes for the community will start on the 31st.

A list of what we plan to accomplish this year with God's help includes health lectures on prenatal classes, five-day plans, nurses aid training, Way Rite programs etc. Our Health Food Korner is doing well and drawing patronage from non-Adventists too.

Mrs. James Herman, Russellville, Ark.

(Charmain Manzano Herman wrote from Russellville, Ark. where her husband Jim '47 is a district pastor.)

It is so nice to receive the Survey, so full of news. . . . We never thought we'd leave educational work, but here we are in rural Arkansas and really enjoying it. Jim is pastoring two churches and two companies.

After teaching for 12 years I find life very quiet. At first it bothered me but I'm getting involved in many things. I visit church members with Jim quite a bit. . . .

A few notes about our children. Our three sons are all in the Collegedale area. Jim, Jr., wife Ellen, and three daughters live at Collegedale, where he is youth chaplain at SMC.

Our son, Ron is administrator of the Village Center (Nursing home) in East Ridge, Tenn. He and wife Linda have two children. Gary is a senior accounting student at S.M.C. He and Dawn have a son. Our daughter Jean is just completing her first year of teaching at Columbia, S.C., and is planning on a European tour with a group from A.U. . . .

There's much to accomplish. We thank God daily for His leading in our lives, and for His bountiful blessings.

Frances K. Bush, Napa, CA

Mrs. Calvin D. Bush sent a Christmas card from Napa, CA. Her daughter, Frances Yvonne, and husband, Dr. Richard Welch live in Hesperia, CA., near Loma Linda, where Dr. Welch and another doctor have a clinic. Daughter Helen and husband Bertil Van Boer have residence near Lake Tahoe, Mrs. Bush wrote, but their work is still in Napa, CA. Dr. Van Boer hopes to retire from teaching in two years. Their three sons graduated from nearby universities.

News of the T. A. Steens

A.U. Focus reports in the May, 1977, issue that Dr. & Mrs. Thomas W. Steen are now living in Berrien Springs, MI., where he was president of E.M.C. from 1934-7. Dr. Steen has been a teacher and administrator at many Adventist academies and colleges, as well as president of Madison College at one time (1946-8).

He was 90 in April, and his wife Margaret will be 90 in August. They have been married 67 years.

William H. Dittes, Red Wing, Minn.

I was a teacher at M.C. for one year, 1946-7. One of the students that year only also was Virginia Denler from Faribault, Minn. Before coming to Red Wing we lived at Faribault and saw Virginia often. She now lives at Clearwater, Wis. She gets the SURVEY and shares it with us so we keep informed about what you are doing. There are many we do not know who are mentioned, but on the other hand, several we remember well.

(W. H. Dittes is president of the Retired Teachers Association of Minn. Dr. Frances Dittes is his aunt, and Dr. Albert Dittes is a third or fourth cousin, he said.)

* Mrs. DEL WATSON, former director of Nursing education, Madison Campus, S.M.C., is now assistant dean of Oklahoma University School of Nursing, Oklahoma

City. Her mother, Dora Parkins, and daughter, 16-year-old Tanya, are living in Keene, TX, where Tanya is in school. Son Robert is married and in the Army in Arizona. After leaving Madison, Mrs. Watson was director of Nursing Education at Union College.

WILLIAM HERBERT FERCIOT

Herbert Ferciot died at Americus, Georgia, Jan. 28, 1977, at age 82. He was born in British Guiana, S.A., where his parents were missionaries. For 40 years he taught in S.D.A. schools. He was a student at M.C. in 1917. His father, an M.D. in Ohio, wanted to send him to Madison. He and Earl Kutcher '16 and Donald Cotton '18 all came together.

Ferciot and his wife Gladys (Krater) were teachers in the 30's at a self-supporting unit, Waccamaw Institute in Bolton, N.C. In 1945 he went to Pisgah Institute in North Carolina, where he worked in printing and gardening. He once wrote that he thought he and Clarence Giles set up and printed the first issue of the MADISON SURVEY.

Surviving are his wife Gladys and 3 daughters: Lenora Puddleiner of Takoma Park, MD.; Marilyn Michaels of Greenville, TN.; and Nancy Bame of LaBelle, FL.; also a brother, Dr. C. Fred Ferciot of Lincoln, Neb.

HENDERSON M. CROWDER

The Louis M. Crowder family, and 4 sons came to Madison for school privileges in 1924. A little later they moved to Knoxville and were in charge of the cafeteria and bakery there. Amos and his father returned to the campus for a time while Amos served as head of the engineering department at Madison Hospital.

One of the sons, Henderson, who had been living in Knoxville where he was a chemist at U.T., died Feb. 21, 1977 at age 67. We do not find much about H. M. Crowder in our SURVEY index, but plenty about Louis Crowder and family. Mother Crowder died some years ago. Survivors according to Southern Tidings are Father Crowder (L.M.) of Candler, N.C. and 3 brothers: Louis M. Crowder, Jr., of Stamford, TN.; Ivan T. Crowder of Galax, VA.; and Amos E. Crowder of Greenville, TN.

GLENN A. KLADY

Glenn Klady died at age 88 at Tyrone, N.C. Jan. 11, 1977. He and his wife Elva were among the earliest students at Madison, coming in 1911. A few years later the Kladays and the Stearns moved to Hawk Ridge, N.C. to start a school.

Our information is incomplete, but we do know two of his daughters who survive: Pauline Klady Mazat of Atlanta and Mrs. A. J. Kennedy, of Columbus, N.C. Two of the Kennedy sons, Allen and James came to Madison in recent years and took paramedical courses.

RAY WILSON died May 12, 1977, at Baptist Hospital, Nashville, after a long illness. He worked in Central Heat and in maintenance at the Food Factory.

Surviving are his wife, Melva who is in a nursing home in Nashville; his two sons, Joe and Walter; daughter LaVerne Krantz; and two brothers, Elder N. C. Wilson of Colton, CA., and Walter Wilson of Atlanta.
