Arkansas-Louisiana Conference Records Collection 326

Scope

The Arkansas-Louisiana Conference Collection contains largely records from the Youth Department. Also included are a few general items and records from the Conference Education Office regarding elementary schools and Ozark Adventist Academy. The bulk of the Youth Department records show the history of Camp Yorktown Bay and photographs of summer camp and other camp programs and mission trips. There are some records related to disaster relief.

Arrangement

The material is in chronological and topical sequence, in much the same order as received. Much of the material comes from the Arkansas-Louisiana Youth Department.

Extent

13 Hollinger Records Center Boxes [16.25 linear feet]

Provenance

Sylvia Downs, who worked as the administrative assistant in the Arkansas-Louisiana Conference Youth Department for 20 years, donated the bulk of the Youth Department materials to the Andrews University Center for Adventist Research in March 2014.

Use

These are records from an ongoing entity. Therefore, some or all of the records may be closed for research until the Center for Adventist Research receives permission from the Arkansas-Louisiana Conference Youth Department or a conference administrative officer. Also be cautious with any photograph that has personally identifying information. After receiving authorization to access the records, all users of this collection will complete the Application to Use Unpublished Records, and observe the regulation specified in the Patron's Agreement and Researcher's Code of Conduct.
