Carlyle B. Haynes Collection

(Collection 46)

Scope and Content

Carlyle Boynton Haynes (1882-1958) was a prolific writer, an author of 45 books and numerous articles. He was also a pastor and one of the greatest Adventist evangelists during the first half of the twentieth century. He served as an administrator, particularly the director of the Adventist War Service Commission during both world wars.

This collection contains approximately 430 sermons, studies, and talks, many of Haynes' published articles, and newspaper clippings documenting evangelistic series and other events in his life. There are also a few photographs.

Arrangement

The sermon binders and the scrapbooks are as Haynes left them, and are arranged chronically based on the information inside each of the items. The sermon binders are arranged chronologically also as Haynes left them.

Provenance

Most of this collection was donated to Dr. Joseph G. Smoot, President of Andrews University in 1981 by C. B. Haynes' granddaughter, Dona Haynes Schultz of Pasadena, California.

Use

All users of this collection will complete the "Application to Use Unpublished Records," and observe the regulation specified in the "Patron's Agreement" and "Researcher's Code of Conduct." All records in this collection are open and available for research. Suggested citation for this collection:
