Virginia Lee Hudgins-Murray Collection

Collection 244

Scope and Content:

The Virginia Lee Hudgins-Murray Collection consists primarily of correspondence received by her from George E. Schultz. With the exception of one letter from an unknown "Frank", all additional correspondence in the collection was sent to Virginia as enclosures along with the letter from Schultz.

George Everett Schultz (1901-1946) received a bachelor of arts in history from Emmanuel Missionary College in 1927, and worked thereafter with the College Press. From 1937 until his death in 1946, Schultz also served as desk editor of the *Lake Union Herald*.

Virginia Lee Hudgins, of Decatur, Illinois, graduated in 1938 from Broadview Academy. A perusal of the correspondence suggests that Hudgins, who graduated from Emmanuel Missionary College in 1945 from the secretarial program, worked for George E. Schultz at the College Press. The correspondence is primarily from the summer months of 1943 and 1944, when Hudgins was home in Decatur, Illinois; and from the time period after Hudgins' graduation in May 1945 until two months before Schultz's death on April 12, 1946.

Virginia Lee Hudgins later married Milton Murray, who served as director of Philanthropic Services for Institutions for the General Conference. Mrs. Murray died sometime around the year 2000.

Arrangement:

The collection is arranged chronologically. George E. Schultz acted as a relay person through whom others sent correspondence to Virginia Hudgins. Therefore, all additional correspondence that was included with Schultz's correspondence on any given date has been left with that of Mr. Schultz. One letter from Schultz may contain one or more letters from others along with clippings and other enclosures.

Provenance:

Virginia's husband, Milton Murray, donated the collection to the Center for Adventist Research on October 21, 2001.

Use:

All users of this collection are required to complete the "Application to Use Unpublished Records," and to observe the regulations specified in the "Patron Agreement" and "Researcher's Code of Conduct." All records in this collection are open and available for research. Citation for this collection:
